

Houston Jet Direct Expands Fleet with Addition of Bombardier Challenger 300

FOR IMMEDIATE RELEASE

HOUSTON, TX – Houston Jet Direct (HJD) announces the addition of a Bombardier Challenger 300 (Tail Number N377RU) to its growing fleet of aircraft, now available for charter. Based in Houston, this latest addition further strengthens Houston Jet Direct's commitment to delivering a seamless private aviation experience defined by performance, comfort, and reliability.

The Challenger 300 is a proven leader in the super-midsize jet category, offering coast-to-coast capability and a spacious cabin designed to accommodate up to 10 passengers. Built in 2009 and meticulously maintained to Houston Jet Direct's exacting standards, the aircraft delivers an ideal balance of range, speed, and onboard comfort for both business and leisure travel.

Passengers can expect a refined in-flight experience with premium amenities, including complimentary WiFi, a fully enclosed aft lavatory, a full-service forward galley with self-service or flight attendant options, and a 20" monitor with an integrated entertainment system. True to Houston Jet Direct's client-first approach, the aircraft is also pet-friendly and features 106 cubic feet of luggage capacity, accessible throughout the flight.

"We are excited to welcome the Challenger 300 to our fleet," said Jeff Lane, General Manager at Houston Jet Direct. "This aircraft enhances our ability to serve our clients with greater flexibility and range, while continuing to deliver the elevated experience they expect. It's another step forward in ensuring we remain best in class."

Houston Jet Direct has been providing an aviation lifestyle for discerning travelers since the 1950s, when the company was founded to meet the growing need for efficient, reliable business travel. Today, HJD serves both executive and leisure clients, offering private charter services that prioritize time, convenience, and exceptional service.

In addition to charter operations, Houston Jet Direct provides comprehensive aircraft management services for owners, including staffing, maintenance coordination, regulatory compliance, and financial oversight. This integrated approach ensures that every aircraft in the fleet is maintained to the highest standards of safety and performance.

With a team of experienced pilots and a meticulously managed fleet, Houston Jet Direct is available at a moment's notice to transport passengers wherever and whenever they need to go. This continued investment in fleet expansion reinforces the company's position as a leader in private aviation.

The Challenger 300 (N377RU) is now available for booking. To request a quote, visit jetdirect.com/contact-us or call (713) 454-1400.
